Important information:

Although we allow more than one exhibitor to share a space, it is vital that no space is shared with exhibitors without full consent from SOS. We reserve the right to refuse exhibitors the right to buy a space at the event at our own discretion.

Deadlines:

The deadline for registering as an exhibitor (at the current discounted rates) is 30 September 2009. The non returnable booking fee is 50% of the cost including vat. The deadline for final payments is 2 November 2009.

ELECTRIC AND INTERNET

There will be an opportunity to recharge laptops during the day

The Brighton and London venues do not have wifi access in the main exhibition areas so exhibitors are advised to provide their own (via a dongle).

We want to avoid lots of wires on the floor so exhibitors requiring constant electricity need to book early and specify a space that is near an electric socket

Payment options
